

THE ESPLANADE ASSOCIATION

Adopt a Tree

TEA helps to care for the Esplanade's roughly 2,000 trees, a wide array of species that include extraordinary specimens of weeping willow. When you adopt a tree, you support our pruning and maintenance initiative, which keeps the park's trees healthy and strong. Under the program, we profile a Tree of the Month on the TEA website and review some of the finer points of the Esplanade's tree collection. As a tree sponsor, you can request a certificate, photograph, and map showing the location of your tree. You can adopt in someone else's name, too, making this a unique gift that celebrates a friend, commemorates a momentous occasion, or honors the memory of a loved one.

Levels of Adoption:

\$5,000—Adopt a Tree

Choose a mature tree along the Esplanade or one from our Tree of the Month.

\$10,000—Adopt a Historic Tree

Historic trees date to the creation of the Esplanade and follow the original planting design created by Charles Eliot and Arthur Shurcliff. The majestic weeping willows are included in this grouping.
