

Sponsor-A-Tree

The Esplanade Association helps to care for the Esplanade's roughly 2,000 trees. There is a wide array of tree species, including extraordinary specimens of weeping willow. By sponsoring a tree, you support our pruning and maintenance initiatives, which keep the park's trees healthy and strong.

When you sponsor a tree you receive a certificate of sponsorship, a photograph of your tree, and a map showing the location of your tree. In addition, a unique metal embossed tree tag will be placed on your tree with an inscription of your choosing, in addition to the tree's Latin and English names and year of sponsorship. You can sponsor in someone else's name, too, making this a unique gift that celebrates a friend, commemorates a momentous occasion, or honors the memory of a loved one.
